SIR

Subject Asst Sanitary Inspector for Bannur Municipality

I have the honour to state that the President, Municipal Council, Bannur has in his report No 85/44-45 dated 21-12-44 stated that the employment of an Asst Sanitary Inspector to Bannur Municipality to look after the sanitation of the place is essential as the Manager who is entrusted with the collection of Kohatariya taxes and octroi is unable to devote sufficient attention to supervise the sanitation work also he has also stated that Bannur is having a population of 6000, and only 15 sweepers have been employed to do scavenging and cleaning work and that there is no proper official to supervise their work and to execute such of the works as may be taken up to improve the health of the place considerably

During my visits to the place, I have found the sanitation of the town was being neglected to some extent Due provision to meet the expenditure on this account has been made in the current year's sanctioned budget In these circumstances, I request you kindly to obtain necessary sanction of Government for the entertainment of an Asst Sanitary Inspector to Bannur Minor Municipality with effect from 1-2-45 permanently

The proposition statement in duplicate and a copy of the Municipal Council's Resolution dated 12-6-44 are appended herewith for reference

I have the honour to be
Sir,
Your most obedient servant
